

Your organization is steeped in knowledge that is often located all over...

- In the minds of senior staff
- your website, somewhere
- In various versions of guides and procedure manuals
- in policies and best practices yet to be written

Now you can give consistent, accurate answers to questions for FREE with KnowledgeBase.

“ Our old web site didn't allow searching... KnowledgeBase significantly increased the use of the site. ”

- Chelsea Dahmen
Health Sciences IRB

Now YOU
DON'T HAVE TO.

**FREE
KB site.**

We'll build & host it.
You provide the
knowledge.

KnowledgeBase.

Why would I want a KnowledgeBase site?

Your KnowledgeBase provides...

- Self service answers for your users
- Robust searching
- Cost and time savings
- Knowledge sharing between KBs
- Knowledge transfer (i.e. when staff changes)
- FREE support from DoIT
- Separate internal and external information
- Information updates by any designated members of your group
- Access from all browsers and web enabled mobile devices
